## Shawsheen School Hit By Vandals

Andover police this week are continuing their investigation into Sunday's vandalism at Shawsheen School, while school officials are counting themselves "very fortunate" they still have the building at all.

Supt. Kenneth R. Seifert told the school committee Tuesday night that messes made at Shawsheen weren't as serious as those at Bancroft in August, but he was more concerned because fires had been set in at least five areas.

He said he wasn't sure the

vandals — thought to be a group of teenagers — intended to burn down the school, but he discounted the possibility: the fires were set to provide heat or light.

"They could see well enough," he said, "to leave their handwriting on the wall."

Seifert said Principal Isabel Dobie called him early Monday morning to report the damage, and that Shawsheen's pupils were subsequently held in the cafeteria and gym for two-and-a-half hours while the messes were cleaned up sufficiently for

them to go to their classrooms.

Seifert complimented Miss Dobie, the faculty and the students for the way they conducted themselves.

In addition to the general messes, at least one typewriter was destroyed and a tape recorder thrown into an aquarium. A couple tape recorders and "one or two cameras" were stolen.

Seifert said the vandals used wire cutters to cut through the screen on the back door, then poked out a small window and lifted the lock.

## Sacred Heart Parents Go To Special Session

### Parents Pleased With Traditional Program

Less than halfway through its first year, the traditional school alternative has been given an overwhelming endorsement by parents of its pupils.

And, while they admitted to a few problems in a report to the school committee Tuesday night, members of the Traditional School Parent Advisory Council asked for a commitment to continue — even expand — the program next year, with a summer school to boot.

A decision could come in two weeks, when the matter will once again be on the school committee's agenda.

Chairman George Olesen, however, indicated Tuesday that the program would be expanded "if the numbers warrant," and several committeemen expressed feelings that the traditional school was

all they had hoped it would be, while heaping praise on the traditional teachers, pupils, and West Elementary Principal Eugene Frulla.

Frulla in turn thanked the parents and the teachers and suggested that none of the program's problems seem unsurmountable. Meanwhile, he said he has been taking names of parents who have called in anticipation of the program next year.

George Ploussios, chairman of the Parent Council, reported the "overwhelming satisfaction" of traditional parents, and said the Council feels that the basic premises of a traditional

program have been implemented in all grades, that the youngsters have readily adapted to a new environment and that they are stimulated and eager to achieve.

He said 126 of the 138 traditional families were recently polled by telephone, and 93 percent felt the program has had a positive effect on their children's work habits, attitude and achievement. A total of 120 are satisfied with the curriculum and plan on continuing. Even more — 122 — feel the program is what they expected.

(Continued on Page 32)

A special town meeting may be called for Monday, Feb. 28, to expedite the Sacred Heart property package.

Rather than have the matter presented to the board of appeals for a variance in early February, a special town meeting could act on a proposed zoning bylaw revision at the special town meeting to allow Crowninshield to accelerate their timetable for converting the Shawsheen building to apartments.

A meeting of the selectmen, industrial commission, planning board and Shawsheen residents Monday night, generally agreed that a special session would be the best method of providing Crowninshield with an improved timetable.

Crowninshield intends to purchase the building and convert it to 80 apartment units, with the town obtaining the land for conservation and recreation use.

Annie Harris of Crowninshield, explained to the selectmen Monday that the firm had gone to the board of appeals with a petition for a variance to see if the timing could be moved up. The real estate development firm wants to take advantage of a good money market, with low interest rates. It also wants to get construction underway, as well as avoid paying on a building it can not use until next fall.

Going the regular town meeting route, would possibly prohibit any action on the part of Crowninshield before October.

David Erickson, chairman of the planning board, said that while his group was understanding of Crowninshield's position, he felt the town would be better served by the adoption of a new zoning bylaw which has been drawn up by planning consultant Philip Herr.

### Andover Or The Arctic?

Snow and cold have locked the area, and the country in an arctic spell this past couple of weeks, transforming this normal brush and woodland area off Woburn street into a frozen winter scene. The unusually continuously cold weather broke somewhat on Wednesday when temperatures at mid-morning reached a "tropical" 20 degrees.

## Stiffer Dog Controls Asked

Selectmen Monday night were requested to examine the present animal control law with an eye toward providing the town with a full dog leash law.

Sidney P. White, who has lost several ducks from his pond off Argilla Road, appeared before the board to ask for some consideration of a more stringent

control on dogs, pointing to the damage done this winter.

White reported that dogs have attacked the ducks which are now trapped in a small open area of the pond due to the remainder of the area being iced over. He explained that the dogs, some licensed, some not, bark at the ducks until one of them leaves the water area,

then is attacked and chewed up.

White also pointed out that recent storm conditions have tended to amplify the problem of dogs breaking up trash bags placed out for municipal pickup.

Selectman Janet Lake agreed that it was a problem, noting the conditions in several areas of town where dogs had broken up trash bags, with resultant litter at roadsides. She felt that dog owners should exercise some responsibility in control and care of their canines.

Selectman Richard J. Bowen, also expressed concern over the freedom of dogs in Andover, calling the situation a "growing, obnoxious, nuisance," citing not only the killing of the ducks and littering by broken trash bags, but also dogs running in packs in some areas of town.

Bowen said that he had opposed a full leash law when presented at town meeting a few years ago, feeling that the more liberal provisions in effect at present would be a sufficient test to have owners exercise responsibility. He said he has since changed his mind and would be sympathetic to more stringent regulations.

White provided the board with a leash law adopted by the city of Lynn, which orders all

dogs restrained and provides a \$25 fine for the first offense.

The present law in Andover provides that dogs must be restrained during hours when children are going to and from school.

## Doyle Land To Be For Passive Recreation Use

The Doyle property off High Plain road, obtained by town meeting vote of a few years ago, will be designated for passive recreational use. Also to be so classified, possibly, is the Wood Hill/Bald Hill acreage acquired through town meeting action this past year.

While the Wood Hill property has not been officially designated as such, it was the general feeling of the selectmen Monday night that the area would not be placed in an active recreation category. The actual designation was tabled to a later date.

Both areas were discussed Monday night by the selectmen with members of the recreation/open space committee.

Mrs. Virginia Hammond, of the recreation/open space group, told the board that with West elementary, the junior high and senior high fields in close proximity to the Doyle property, it was felt that the High Plain road land should remain classified as passive recreation area. This allows for

such things as trails for skiing and horseback riding, nature study and such activity, eliminating any active or organized sports in the area.

The acquisition of the land for \$300,000 was presented to town meeting as being for both active and passive recreation use, with the possible obtaining of funds from the Bureau of Outdoor Recreation (BOR) for development of fields in the area.

BOR funding has not, however, come through, and the town is still attempting to obtain self-help money for acquiring the area for conservation purposes.

In response to a question from Chairman Milton Greenberg, Mrs. Hammond told the selectmen that the conservation commission was given to understand that the affluence of the town would not have a bearing on the application for self-help funds.

As for the Wood Hill area, application is also being made for self-help funds, but the selectmen were asked about their designation of the area.

Mrs. Margaret Keck, of the recreation open space group, explained that there are about 15 acres within the overall plot which could be used for active recreation, if the board so desired. She also explained that while the areas are not needed at present for recreational use, she felt it not proper to commit the use and prevent future generations from using the area for recreational activity.

What happens, if the area is designated for conservation purposes only, is that the town would have to pay a penalty later, should any of the land be used for playfields.

Selectman Alan F. French felt the board should examine the options available before making any commitment.

Selectman Richard J. Bowen, noted that there is a school site, owned by the town in the Cross street area, adjacent to the Wood Hill site. There is also conservation commission holdings in the area.

He felt that if active recreation areas were needed, then there is sufficient land to keep the more recent acquisition in conservation hands. This would allow more funding, if approved.

## Father, Son Banquet

A Father-Son Banquet will be held Saturday, Jan. 22, 6:30-9 p.m. at the Andover-North Andover YMCA, 165 Haverhill St., Andover. Boys in gr. 1-6 in any membership category are invited to attend with their dads for an evening of good food, fun and fellowship. Prior registration is required.

A turkey dinner will be served with Allen Maxwell serving as chairman. Bob Alexander, cartoonist for the Lawrence Eagle Tribune, will discuss and illustrate cartooning, followed by a question and answer period. Recreational gym activities and a recreational swim will complete the evening's activities. Sign up now, if you have not already done so.

The U.S. Department of Labor reports that the employment outlook for pharmacists is expected to be very good through the mid-1980's. Growth of the occupation is expected to be about as fast as the average for all occupations.

## Town House Topics

### Mrs. Dunbar Named To FinCom

Mrs. Douglas Dunbar became the third female member of the Finance Committee when Moderator William Dalton recently named her to fill the vacancy created by the resignation of William Watt.

The appointment of Mrs. Dunbar, who has served on many town study com-

mittees and has been prominent in League of Women Voters activities, brings the board to its full complement as the annual budget review and preparation for town meeting gets underway. Other women serving on the FinCom are Mrs. Virginia Cole and Mrs. Dana Duxbury.

### Kolaski Expected To Be Candidate

Casimir Kolaski of Argyle street, who lost out on his bid for election to the school committee by two votes last year in the closest school board race in years, is expected to be a candidate for the board again this year.

He has not as yet obtained nomination papers from the town clerk's office, but is expected to do so within the next week or so.

To date, only the two incumbent selectmen, Mrs.

Janet Lake and Milton Greenberg, have obtained nomination papers for the annual town election, March 28. They are seeking reelection to three year terms.

Also on the ballot: two three year terms on the school committee, a three year term for Andover Housing Authority, Punchard Free School Trustees, and one year term for moderator.

### Untenured Teacher Gets Leave

The School Committee Tuesday night voted to grant Susan Ellen Robinson, a third year teacher here, maternity leave until June.

At the risk of setting a precedent, however, Supt. Kenneth R. Seifert said he would recommend her for tenure when the time comes this spring. He said her per-

formance record merited that vote and that while tenure is usually considered after three years, three years is a maximum, not a minimum.

When Mrs. Robinson returns, however, he said she would be given credit for two years' service for salary purposes.

### HVAC Mechanic May Effect Savings

A temporary position for a heating, ventilation and air conditioning mechanic was approved by the school committee Tuesday night, and someone will be recommended to fill it at the first February committee meeting.

Supt. Kenneth R. Seifert said he hoped the mechanic could start March 1 and could effect some savings in maintenance costs by the end of school.

Plant Engineer Al Hart said large plants can't be

operated by custodians alone, since there is a lot of equipment that needs regular attention.

The administration cancelled its maintenance contract with an outside firm this year.

During a second go at next year's maintenance budget, the committee also transferred \$16,000 for a possible permanent HVAC mechanic from the expense account to the salary account.

### Selectmen Meet Monday

The selectmen will be in regular session on Monday at 7:30 p.m. in the meeting room at Memorial Hall Library.

Agenda items include a discussion with the Andover

Housing Authority on a possible new elderly housing project, review of Andover's proposals for a solid waste site and examination of articles for town meeting consideration.

## Units On Probate Court Set

The Massachusetts Probate Courts, which deal with adoption, divorce and child custody cases, will be the subject of unit meetings to be held by the Andover League of Women Voters next week.

The schedule of meetings is as follows: Monday, Jan. 24, at noon at the home of Nancy Larsen, 53 Birch Road; Tuesday, Jan. 25, at 9:15 a.m., at the home of Sandy Morton, 27 Shipman Road; and Thursday, Jan. 27, at 7:45 p.m.,

at the home of Jan Sagaser, 56 Chestnut St.

Please contact Joyce Robinson, 50 Wildrose Drive, to make

reservations for babysitting for the Tuesday morning meeting or with any questions about the units.

### Fire Log

The Andover Fire Department responded to the following alarms between the period of January 11 to January 17.

Jan. 11 — High St., B. Vale, wire down; Box 321, Boston Rd., false alarm; 72 Elm St., P. Long, dryer fire.

Jan. 12 — Box 13 Shawsheen School, twice 10:09 and 10:45 p.m., false alarms.

Jan. 13 — F. Reilly, Dascomb Rd., tractor fire; Box 13, Shawsheen School, false alarm; Galder, 7 Windsor, boiler fire.

the fire department ambulance responded to 12 calls during the same period.

## Cardinal Cushing Memorial Dedicated

### At Annual Meeting

Participants in the annual meeting of the board of trustees and directors of Bon Secours hospital, were, Sister Cornelius Cremin, C.B.S., seated, and William L. Lane, director; Hon. John E. Fenton, president, Bon Secours hospital; Sister Charles Marie Brown, C.B.S., associate director and Rev. Msgr. Joseph B. Burke, J.C.D.

A memorial to the late Richard Cardinal Cushing of Boston was dedicated at Bon Secours Hospital recently as part of the Hospital's annual meeting of its board of trustees and directors.

The Hon. John E. Fenton, president, Bon Secours Hospital, addressed the hospital's governing board during the ceremony, declaring the late Cardinal as the "Founder of Bon Secours Hospital" and "The Peoples Car-

dinal." Judge Fenton highlighted several historical landmarks in the growth and progress of the hospital crediting the late Cardinal Cushing as responsible. Sister Charles Marie Brown, C.B.S., associate director, unveiled the memorial and Rev. Msgr. Joseph P. Burke, J.C.D. was on hand for the blessing of the site.

The memorial, composed of large and life size photographs of the Cardinal, and artifacts the

Cardinal had given as gifts to the Sisters of Bon Secours, is on permanent display in the hospital's

## To Observe YMCA Week

January 23-30 is National YMCA Week. On Sunday, Jan. 23, churches throughout the nation will give special recognition to the YMCA, an organization which has been in the "people business" since 1844.

The YMCA today is vitally concerned with family life because the YMCA is concerned with values. Children learn what's important and worthwhile from the adults around them.

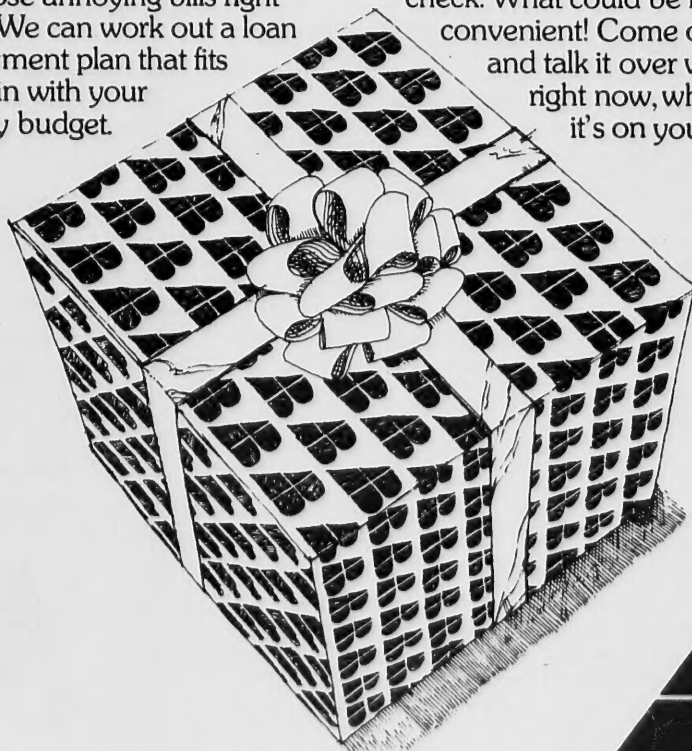

The Andover-North Andover YMCA offers programs for all members of the family, three years of age and up. Parent-Child programs (Indian Guides and Indian Maidens), and Family Night programs as well as special gym and pool times are available for families. These activities provide an opportunity to have fun together, share and communicate and grow and learn from and with each other.

Any individual who has not seen the new YMCA facility is welcome to stop in for a tour. Office hours are Monday through Saturday 9 a.m.-9 p.m.

## AFS Seeks Host Families

The Andover American Field Service chapter for international student exchanges, now entering its 13th year of programs in Andover, wants to hear from families interested in acting as hosts for two students from abroad who will be studying at Andover High and at Phillips Academy in 1977-78.

AFS International, now in its 63rd year of service under the motto "the cause of peace and international understanding," has provided thousands of foreign students from some 60 countries with access to American life. Currently over 2500 students are enjoying the hospitality and friendship of American families during their 10-month stays in

local communities across the nation. They provide their host families with insights into different cultures and act as ambassadors to the schools, churches, and other community agencies in whose activities they participate.

Andover has had students from over a dozen countries. This year, David Morris of Australia, Carmen Bokin of The Marshall Islands, and Ludwag Tjelmeland of Norway are sharing in family life here.

AFS International in New York screens candidates for the program acting upon detailed information supplied by its chapters in foreign countries. It matches up the interests and personalities of the students, all of high school age, with those of the host families who have also been interviewed locally after submitting applications to AFS. In a recent innovation, AFS New York provides the families which it selects to participate in the program with a profile of the prospective "son" or "daughter" before making the final matching. This step enables host families to assist in the process and present their concerns. Though the students come from varied backgrounds, the main requirement for host families is a willingness of all members to respond openly and warmly to the student's personal growth and awareness of American life. Host families need not have children of high school age. Successful relationships between foreign students and hosts often occur where families have younger children.

AFS provides transportation from the student's home country to Andover, medical costs, and a monthly allowance. Tuition is waived by local schools. The host family is responsible for room and board and any excursions, entertainments, sports activities, etc. which it elects to provide for the student. The

family's expenses are tax-deductible under the IRS code.

Any families who would like to share the AFS experience through a foreign son or daughter are asked to write or call Roger Wiehe, 103 Salem Street, or Katie Ongaro, 49 Salem Street, for further information.

## County Tradition On Exhibit

"The Arts and Crafts Tradition in Essex County," a special loan exhibition, will be held at the Essex Institute, Salem, Mass., Jan. 18-March 27. A handsome selection of Marblehead pottery, silver by Franklin Porter of Danvers, and photographs and objects reflecting the innovative art teaching philosophy of Arthur Wesley Dow of the Ipswich Summer Art School will be featured in the show. Essex County provided the setting for a rich and varied artistic life at the turn of the 19th century as architects, painters and craftsmen found inspiration in the rugged natural beauty of the seacoast and in the quaint colonial atmosphere of the old seaports and country towns.

A one day symposium on the Arts and Crafts tradition in New England will be held on Saturday, March 19. An illustrated catalog of the exhibition is available.

We are equipped to handle all of your printing needs economically, efficiently and accurately from short-run single color to long-run four color process printing. Call Jim Finn today for an estimate.

## KATHY IS AT NORTHERN ESSEX

Kathy Cronin, married to former Congressman, Paul W. Cronin, had a wealth of practical political experience when she started studying at Northern Essex, and planned to capitalize on it in college. But she has ended up in a brand new field - Asian Studies - and plans to go on to a four-year college when she has her associate's degree. "Northern Essex really bent over backwards for me," Kathy says [she had tried other colleges which were not enthusiastic about her plans]. "They made it so easy for me there was no excuse not to go to school . . . I sell Northern Essex every chance I get." Kathy took most of her courses during the day, and also took an N.E.C.C. telecourse. Kathy, her husband and their two teen-age children live at 8 Punchard Avenue, Andover.

Youthful Izaak Walton's from Andover put their unplanned school vacation time to good use last week doing a little ice fishing. From left Paul and Jeff Bruk, sons of Mr. and Mrs. Paul Bruk of Dascomb Road and Alan Cail, son of Mr. and Mrs. Donald Cail, Dascomb Road. Using shiners for bait, the youngsters picked up two pickerel and a yellow perch through the ice. The Bruk youngsters had broken a trail to Poms pond early in the week to hook a two and one-half pound bass.

### Winter Walk

Life in the seas goes on all through the year and the beach in winter reveals many patterns and organisms that are not evident in the warmer months.

Massachusetts Audubon Society's Ipswich River Wildlife Sanctuary is planning a walk to explore the winter shoreline along Lynn Beach on Sunday,

Jan. 30 at 1 p.m. Sarah Fraser Robbins, Director of Education at the Peabody Museum and co-author of *The Sea is All Around Us* will lead the walk. The group will meet at the MDC parking lot off Lynn Blvd. beyond the traffic circle, weather permitting.

Prior registration is not necessary but there is a slight fee for the walk.

### Receives Award

Nancy Darling, 11 Enfield Drive., Andover, a student at Andover High School, receives first place prize in the Grades 10-12 competition of the Spinal Health Month Essay Contest sponsored by the Massachusetts Chiropractic Society. Making the presentation is Dr. Jack Markey, 246 Turnpike St., North Andover, president of the Merrimack Valley Chiropractic Society. Looking on are Nancy's parents, Mr. and Mrs. Richard Darling. The essay contest was titled "Youth is a Feeling, Not An Age."

## Mansion In National Register

Kittredge Mansion, 56 Academy Road, North Andover, nominated for inclusion in the National Register of Historic Places by the Massachusetts Historical Commission, has been accepted, State Secretary Paul Guzzi, chairman of the commission, has been informed by Gary Everhardt, Director of the National Park Service in the United States Department of the Interior.

The Kittredge Mansion is one of North Andover's earliest and best preserved examples of Federal architecture. It was built in 1784 by Dr. Thomas Kittredge, one of the town's most prominent doctors, and has remained in the property of the Kittredge family to this day. The present owner is Francis B. Kittredge.

Thomas Kittredge was one of North Andover's first doctors and served as the surgeon with Colonel Frye's regiment at the Battle of Bunker Hill. In addition to his surgical work, he also pioneered in new methods of treating mental illness. Throughout his life he trained

medical students and boarded about six students in his mansion. Each succeeding generation of Kittredges has produced at least one doctor, and in some, several. Dr. Joseph Kittredge operated a small sanitarium in the house during the 1920's and 1930's.

Architecturally, the house is significant as a fine example of a Federal style dwelling. It illustrates well the copying of styles from the coastal towns by the towns inland that occurred during the 18th century. (The Kittredge Mansion stylistically is very similar to the Pierce-Nichols House in Salem). The house has received only minor alterations and the 1848 additions blend well with the scale and design of the original house. The main house, the 19th century barn and the modern sheds form an impressive unit of architectural and agricultural continuity.

This nomination was prepared by the North Andover Historical Commission with the assistance of the staff of the Massachusetts Historical Commission.

### KAY IS AT NORTHERN ESSEX

"I've always done factory work," says Kathryn Moren of 7 Melrose Street, Amesbury, "and it's always been a stigma with me that I didn't graduate from high school." But last Fall, all of her five children were in school (her oldest daughter at Northern Essex) and, with everyone else studying, Kay decided to go to Northern Essex and study for a high school equivalency diploma. . . . she had been out of school thirty years. "Whenever I got nervous, my children encouraged me," Kay continues. "I found it difficult at first, but the tutors were really good and as I went along I got more and more hungry for education." Kay has her diploma now and plans to enroll in the Discovery Program at Northern Essex and keep on learning.

Financial assistance is now  
available to part-time students at  
Northern Essex Community  
College in Haverhill. The college  
provides financial aid through a  
variety of programs such as  
Basic Educational Opportunity  
Grants (BEOG), National Direct  
Students Loans (NDSL), the  
College Work/Study Program

(CWS), Supplementary  
Educational Opportunity Grants  
(SEOG), Nursing Loans, Nursing  
Grants and Discovery Program  
Grants.

To be eligible for financial  
assistance, a student must be  
enrolled for a minimum of 6  
credit hours per semester (usual-  
ly two courses) and must com-

plete the necessary forms to  
determine financial need. Once  
need is established, eligible  
students may receive one or  
more or a combination of the  
financial aid programs listed  
above.

Students planning to take  
courses in the spring, 1977  
semester at Northern Essex are

urged to contact the Financial  
Aid Office as soon as possible. It  
takes time to process  
applications (4 to 6 weeks in the  
case of BEOG grants, for exam-  
ple) and students should not wait  
until the registration period to  
apply for financial aid. It is also  
possible for part-time students to  
pay their own tuition at registra-  
tion and be reimbursed by finan-  
cial aid grants after the semester

begins.

### Faculty Reception

Leonard Mead, former acting president of Tufts University (2nd from right), chats with faculty members during a reception held recently on the campus in his honor. Mead, a resident of Castine, Maine and a native of Milford, is retiring after 37 years at Tufts. He has held a variety of positions there including chairman of the psychology department, dean of the Graduate School of Arts and Sciences and provost. He is currently a full professor in the psychology department. With him, from left to right, are former provosts: Charles Sterns of 381 Boston Rd., Billerica, professor of geology; Kathryn McCarthy of 26 High St., Andover, current provost and Albert Ullman of 48 Professors Row, Medford, professor of sociology.

## Fr. Aherne Appointed To Board

Governor Michael S. Dukakis has appointed Rev. John R. Aherne, president emeritus of Merrimack College, North Andover, as a member of the Board of Library Commissioners.

Father Aherne, 64, has 37 years of library experience, 14 of these as an active librarian. He created the library at St. Augustine High School in San Diego and expanded the book collection from 300 to over 7,000 titles.

He served as president of Merrimack College from 1968 to 1976, and played a key role in the planning and design of Merrimack's McQuade Library.

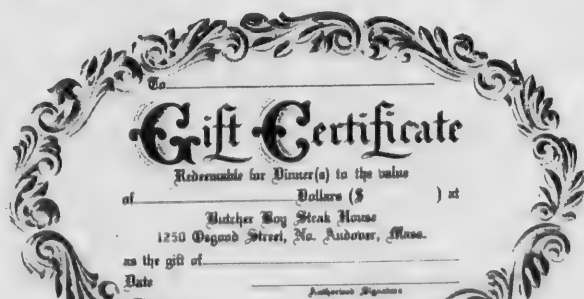

Father Aherne holds doctorates from Merrimack and Villanova University, an M.A. from English Catholic University of America, and an A.B. from Villanova University.

"I am very pleased to announce this appointment," Governor Dukakis said. "Rev. Aherne has an extensive background in library administration and is committed to the goals of the Library Board."

Dennis Heaton

## Director Hired For Center

Dennis Heaton has been hired by Greater Lawrence Outreach, Inc. as director of the Lawrence Outreach Center at 139 Lawrence St. A recent allocation of \$30,195 by the City of Lawrence has made it possible to double the staff at the center to four and to expand the services to youth.

Heaton is a graduate of the University of Notre Dame and holds an M.A. in Psychology. He has previously worked with teenagers as a counselor and teacher. Before coming to Lawrence, he was the director of a drug prevention project which was the subject of a documentary film, "The Transcendental Meditation Program in Education in Berkshire County, Massachusetts." Dennis is residing in Andover with his wife, Linda and his son, Alexander.

Greater Lawrence Outreach, Inc., which also operates centers in Methuen and Andover, works closely with the local schools to provide intervention for youth before the onset of serious problems. Services include consultation with counselors and teachers, counseling groups at the center and in the schools, classes for Spanish-speaking students, and individual tutoring and counseling. In addition, a range of activities are offered at the Lawrence center afternoons and some evenings. The center is also available for referral for drug related problems.

Snowflakes collect particles of pollution more efficiently than rain, according to the Massachusetts Audubon Society.

The annual dessert-card party is a part of Andona's fund raising activities to aid youth and charitable activities in the community.

## Open House At Pike School

Mr. Raymond Nelson, Headmaster of the Pike School, Andover, announces an Open House on Wednesday, Feb. 2 at 3 p.m. All parents of young children are invited to attend, to meet the faculty of the Lower School (pre-primary through second grade), to hear about the total program

of the school, and to tour the school buildings.

On Tuesday, Feb. 8 from 9 a.m. to 10 a.m., there will be a follow-up program to enable interested parents to visit classrooms and see the school in action.

The Pike School is an independent day school for boys and girls

pre-primary through ninth grade. The school seeks to develop in its students sound scholarship and character, with emphasis upon resourcefulness and self-discipline essential in dealing with the independence encountered at the secondary school level.

The student body is drawn from a wide area, including the Andovers, Lawrence, Methuen, Haverhill, Lowell, Georgetown, and southern New Hampshire.

The school is located on Sunset Rock Road in Andover. For further information contact the Pike School office.

## Orchid, Camellia Show Scheduled For Boston

If you think orchids are an exotic flower that can't be home grown, then you should attend the Orchid and Camellia Show, to be held Friday, Jan. 28 through Sunday, Jan. 30 at Horticultural Hall

in Boston.

In addition to the large commercial growers, private gardeners will also show prime orchids grown at home for this festival, sponsored by the Mass.

Orchid Society and the Mass. Horticultural Society. Information about growing orchids at home will be given at the Show.

Hours will be: Fri., Jan. 28 — 1:30 to 3 p.m.; Sat., Jan. 29 — 10

a.m. to 6 p.m., and Sun., Jan. 30 — 10 a.m. to 5 p.m.

Free hourly demonstrations will be given by members of the Orchid Society, on proper care, soil mixtures, repotting and the general culture of these beautiful plants.

The colorful spectacle includes the oldest Flower Show in America — the 147th Camellia Show, with beautiful specimen blooms of this rare plant never seen before by New Englanders.

Experts will be on hand throughout the show to answer questions and give gardening advice.

## Fashion Show, Breakfast Planned

Ann Lange of Holt Road, Andover, and first vice president of the Lesley College Alumni Association, has reservation information on the "Continental Breakfast and Fashion Show" program, sponsored by the Lesley Alumni Association to be held at the Lord and Taylor Bird Cage Restaurant, 750 Boylston Street, Boston, on Jan. 29, at 9:30 p.m.

For further cost and detailed information, please contact Ms. Lange or the Lesley Alumni Association Office.

Lesley College prepares 783 undergraduate women to be highly qualified elementary school teachers. Additionally, students may specialize in the teaching of reading, day care, early childhood education, special education, urban education, and

the new child and community program. At the ever-expanding, co-educational graduate level, 2,000 part and full-time students pursue similar fields of study involving the teaching of young children, plus counselor education, expressive therapies, administrative careers, independent study and a certificate of advanced graduate study degree program.

## New Groups Form At Growing Room

"Growing Room," a new kind of counseling center at 89 N. Main St., Andover announces three new personal growth groups. These ongoing groups provide support over an extended period of time and are offered in eight week segments. Participants will have an opportunity to focus on their own issues and to share feelings and experiences in meaningful ways with others.

Generally a commitment of one session per week for two months is asked. Since these groups are not for everyone, "Growing Room" will set up an interview with those who are interested.

Groups are in the process of being organized now and space is limited. The groups will meet on Tuesday mornings, Thursday mornings and Wednesday

evenings.

"Growing Room's" free open house on Sunday, Feb. 6, 2 to 5 p.m. is another opportunity to find out about the personal growth groups as well as other services including a group for separated and divorced. For further information, contact "Growing Room", 89 N. Main St., Andover, Ma. 01810.

## Summer Wedding Planned

Priscilla C. Harris

Colonel and Mrs. Edward Moseley Harris, of Andover and Center Harbor, N. H., announce the engagement of their daughter Priscilla Colman to Robert Torres Gloria, of Belmont, Calif.

Miss Harris attended the Pike School, Andover High School and Hollins College, Roanoke, Virginia, graduating with the class of 1972. She is currently employed as a claims adjuster by the Hanover Insurance Co. in San Francisco, Calif.

Her fiancé, son of Mrs. Robert Gloria, of Somerton, Arizona, and the late M. Gloria, served in the U. S. Air Force and is employed by Trans World Airlines in San Francisco.

A summer wedding is planned.

## Gardeners To Conduct Workshops

The Village Garden Club's Growers Guild held its monthly meeting at Memorial Hall Library on Jan. 13. Leslie Frost featured "Gardening Under Lights."

The January and February meetings of the entire membership of the Village Garden Club will be a series of Workshops in various topics. These workshops will be conducted by members.

## Life Styles AAUW Subject

The January meeting of the Andover-Georgetown Branch of the American Association of University Women will be a consideration of the kaleidoscopic lives of today's women. A panel will discuss their fulfillments and frustrations as career women, career women with families, mothers at home, including those who are divorced and single, with special emphasis on varying life

styles and unusual circumstances.

This meeting will be held on Thursday, Jan. 20 at 8 p.m. at the Andover Library. Chairmen of arrangements for the meeting are Mrs. Peter Christopher of North Andover and Mrs. Don Santos of Andover. Prospective members are invited to contact Mrs. Alfred Lopes of Bradford or Mrs. Robert Gilman of Lowell.

## Shakespeare

The Boston Shakespeare Company introduces its fourth production into the 1976-77 repertory season, as it opens the most beloved of all Shakespeare comedies, A Midsummer Night's Dream on Thursday, February 3. It will play in repertory with the Company's current production of Robin Hood through the end of March, when it will be joined by

the fifth and final production of the season, The Merchant of Venice.

Performances of A Midsummer Night's Dream will be every Thursday and Saturday evening at 8 p.m., with Robin Hood performing Fridays at 8, at the Boston Shakespeare Company Theatre located on the corner of Berkeley and Marlborough Streets in Back Bay, Boston.

## Points To Ponder

With Ol' Man Winter keeping us in arctic grip, we might offer some thoughts to discuss around the fireside, such as:

### Sacred Heart Property

Why is it that when something of any magnitude is introduced to Andover, there always has to be a problem or two?

The Sacred Heart property package which seemed to be moving along so well these past several months, now has come up against the problem of timing.

New laws enacted by the legislature last year, dealing with town rezoning issues, will compel Crowninshield, the real estate development firm interested in converting the Sacred Heart school to apartment use, to wait until next October before it can proceed with financing arrangements and final planning.

This is due to the rezoning bylaw to be introduced to the annual town meeting in April.

Crowninshield, interested in taking advantage of a good money market, as well as getting their project moving as early as possible, has petitioned the board of appeals for a variance.

Town officials, understanding of Crowninshield desires, and not strongly in opposition to the move, nonetheless, would prefer town meeting action on the matter.

Thus, tentatively, a special town meeting will be called for Feb. 28, to allow townspeople the opportunity to vote on the rezoning matter and accede to the development firm's wishes.

It seems the appropriate thing to do.

While there would appear to be sufficient guarantees that the project will move along as planned, and the town will obtain the fields for open space and recreation, the town meeting route will probably be the more palatable.

It will allow for a town-wide decision on the matter and will insure even further that the package will proceed along mutually agreeable terms — the building to be converted to apartments and the town obtaining the remaining property.

We can't fault Crowninshield for attempting to expedite the matter. Matter of fact, it is probably in the town's interests to get the project off the ground while it remains economically feasible for Crowninshield to develop their plans as currently projected.

### Dogs

A constantly recurring problem of dogs roaming free was again before the selectmen this week.

Sidney P. White asked for consideration of a full leash law to restrain canines from roaming the streets, the problem amplified by the killing of several ducks on his pond off Argilla Road this winter.

Selectman Janet Lake and Richard J. Bowen were sympathetic to the problem both noting that dog owners should display some responsibility for care and control of their pets.

Additional problems brought on by dogs include the tearing open of trash bags awaiting pickup and darting out into streets at this time of year from snow mounds by the side of the road. The latter activity, of course, leads to accidents.

The present animal control law which prohibits dogs from roaming free while children are en route to and from school, was initiated as a compromise when a full leash law was proposed several years ago.

Evidence, however, continues to point to the fact that the liberal leash law in effect in Andover, is not effective enough, thus the selectmen, or town meeting may have to make it more stringent.

### School Closings

Probably more difficult for school administrators than directing such things as curriculum, staff, etc.; is the decision to open or close schools on a stormy days.

When storms are intense, there is little question. But when the weather improves to a certain degree, a superintendent is sure to incite the wrath of some parents who would prefer their youngsters in school, rather than having to care for them around the house.

Last week, Andover school were closed for the week following two major storms. When the weather cleared, and roads were plowed, a further decision had to be made.

The roads remained icy, huge snow mounds presented hazards for youngsters, whether walking to school or awaiting a school bus.

Having viewed conditions throughout the town, and examining the options, Supt. of School Kenneth R. Seifert wisely decided to keep the schools closed for the remainder of the week.

Using the "better safe than sorry" rule for guidance is always a wise choice.

The town hockey team played the M.I.T. team on the Garrison Avenue grounds, Boston, last Saturday, the game ending in a 3-3 tie. A return match will be played in Andover, if it can be arranged. Playing for the locals were Stewart, Nolan, Sutcliffe, Hitchcock, Ritchie, and Lynch.

There seems to be work for the Society for the Prevention of Cruelty to Animals here in Andover as several people are leaving their horses standing out in the cold unblanketed. We trust the condition will be corrected.

It is probable that the new gymnasium at Phillips Academy will be ready for occupancy about the middle of February. Dr. Anderson of the Yale gymnasium has been in town this week working on the selection of apparatus. A gymnastic instructor has yet to be named. Sidney Peet will be janitor and a room will be fitted for him.

William Wyllie, a member of the Free Church Sunday school, has been present at every session of the school for the past eight years, a record we view as being unmatched anywhere in town.

A petition has been circulated among the regular patrons of the Boston and Maine railroad, asking the 5:14 train from Boston be express to Andover, there being little patronage for the stop at Lowell Junction and Ballardvale.

Mrs. Annie T. Flagg, wife of Burton S. Flagg of School street, has been named a trustee of Danvers State hospital by Governor Alvan T. Fuller.

Miss Virginia Ramsdell, daughter of Mr. and Mrs. Harry A. Ramsdell of Summer street, a senior at Jackson College, has been named chapel orator for the commencement exercises there in June.

Local resident, T.E. Rhodes, suggests to the Andover Village Improvement Society, that land in the Carmel Woods area be transformed into a municipal tourist camp.

The annual report of Town Clerk George A. Higgins knows there were 200 births in Andover last year, 143 deaths and 97 marriages.

The number of persons indicating that they will be candidates for town office in March is increasing. Obtaining nomination papers this week were Thaxter Eaton, for selectmen, Thomas P. Dea for board of public works and William D. McIntyre for re-election to the board of public works.

## 25 Years Ago - January, 1952

Tax collections for 1951 surpassed all previous records when a total of \$970,380.25 was recorded at the office of Tax Collector James P. Christie by the close of business on Dec. 31.

A group of Ballardvale residents appeared before the selectmen this week requesting several improvements in the town's building in the Vale in which the community rooms are located.

Garrett J. Burke, 390 North Main St., has been appointed as the state's representative on the Andover Housing Authority for a five year term. He succeeds Stanley F. Swanton.

The fire department will request purchase of a new 1,000-gallon pumper at town meeting to replace an old engine, considered not reliable or dependable. Cost is estimated at \$17,000.

Leo F. Daley of 40 Morton St., has been selected as chief marshal to lead the alumni at the 1952 commencement of Harvard University in June.

## 10 Years Ago - January, 1967

Town Manager Bowen tells local officials that a \$6 tax rate increase is a real possibility this year in his "state of the town"

address at Memorial Hall Library.

Selectman Sidney P. White confirms that a newly formed electronics company interested in using his former dairy barn on Andover street as a manufacturing facility.

Robert H. Klie was elected president of the Andover Com-

mittee for A Better Chance, at the annual meeting held Monday at the library.

The state Department of Public Works has approved an allotment of \$54,000, one half the cost of road improvement for North Main street. The state and county will provide the additional funds for the work.

## WEEKLY SPECIAL

### Cheerful Final Days at Ford White House

by Jack Anderson  
with Joe Spear

WASHINGTON -- Richard Nixon's final days in the White House were dismal. The atmosphere in the Oval Office was dark and depressing and Nixon spent most of his time brooding. In contrast, Gerald Ford is cheerful and relaxed, he laughs frequently and easily and is able to joke with his staff as he prepares to leave the White House later this week.

He has told aides that he will no longer have to be made up constantly for television appearances. The aides used to fuss over his makeup until he threatened to get a facelift and a wig.

President Ford was taken aback by the request from Sen. Phil Hart's widow that he grant amnesty to the Vietnam protesters, deserters and draft dodgers. He promised to consider her request. The White House legal staff has prepared some memos for him on the subject, but Ford is just going through the motions. He doesn't intend to grant general amnesty.

**Grim Warning:** President-elect Jimmy Carter wants to start off his term by making a good impression. He has asked his transition team to look for

some immediate, tangible ways to cut back on government fat.

The staff is preparing reports listing government waste that can be quickly eliminated during Carter's first few months in office. He wants to demonstrate early that he is trying to keep his campaign promises.

Carter has also promised to cut military spending and has set a goal of reducing the military budget by \$5 billion to \$7 billion.

However, he has received some grim, secret warnings about military cutbacks. The outgoing Secretary of Defense, Donald Rumsfeld, met with Carter for six and a half hours.

Rumsfeld warned Carter that U.S. military strength has been steadily declining while Soviet military strength has been steadily increasing. Rumsfeld acknowledged that today the United States is as powerful as the Soviet Union, but he expressed great alarm over the trend.

He told Carter, in effect, that the Democrats could get away with slashing the military budget and the sky wouldn't fall in. But he strongly indicated that a deep cut would jeopardize the

nation's future security. He explained that this year's cuts won't be measured on the military scale for years to come.

The Soviets have been increasing their military might at an annual 3 per cent rate since the 1960s. During the same period, U.S. strength has dropped 14 per cent below the pre-Vietnam War levels.

One of the transition documents furnished to the Carter team shows that the Soviet Union has modernized its intercontinental missiles during the past 15 years. The United States has developed only one new intercontinental missile system since 1965, while the Soviet Union has developed seven.

The transition document states "The USSR already has the advantage in ICBM (intercontinental missiles) and SLBM (sea-launched missiles) numbers and throwweight. The Soviets continue aggressive ICBM, strategic bomber and SLBM development and deployment.

"Moreover, as the size, number and accuracy of Soviet weapons continues to increase, the survivability of our silo-based ICBM force is increasingly jeopardized."

Incidentally, there was an interesting footnote in the transition papers. The Defense Dept. notified the incoming Democrats that it will deliver missiles to Jordan. Hawk missiles will be shipped to Jordan at 60-day intervals, beginning this year.

The first Vulcan air defense missiles were delivered to Jordan last month and another shipment is scheduled in March.

**Expensive Failure:** The federal government's "war on

drugs" has been an expensive failure. Millions of dollars have been spent and thousands of drug-related arrests have been made. But dangerous narcotics are still flowing into the United States at an alarming rate. Heroin is becoming an epidemic in our nation's cities.

President-elect Carter has said he wants to enlist the aid of the FBI in the battle against narcotics. Right now the Drug Enforcement Administration is in control of the anti-drug effort. Former President Richard Nixon put the DEA in charge of federal narcotics enforcement and the agency, so far, has withstood accusations of inefficiency and corruption.

Our sources say that Carter will not be able to move control away from the DEA, which will resist any effort to be taken out of the anti-drug spotlight. For that matter, the FBI, we've been told, will balk at any attempt to involve its agents in the controversial narcotics field.

Meanwhile, federal investigators have learned that confidential files have been pirated out of the Miami office of the Drug Enforcement Administration. The files on drug trafficking allegedly have been sold to criminals.

The investigators have evidence that a DEA employee slipped the files to a relative, who peddled them to criminals. Details of the investigation have been kept under wraps, but our sources say there is no evidence of any nationwide selling of government files to mobsters. The incident is confined to the Miami area.

## For Those Of Us Who Are Older

The trip to Hancock Tower in Boston has been postponed indefinitely. The weather has proven to be too great an obstacle to make the trip any fun, so until the weather improves and the footing, too, a later date will have to be set. Watch these columns for that announcement.

The first Thursday of each month, Mrs. Frances Dixon conducts a crafts class at The Haven at 10 a.m. Everyone is invited to attend. It is free and requires no special materials or great talents.

There are still a few spaces available for the Chateau de Ville performance of "The Unsinkable Molly Brown," Feb. 16. Cost of \$10.50 includes transportation, the performance and a delicious dinner of Chicken Classique. Do not delay. Do it now. Call The Haven and tell them you want to be included.

The regular monthly meeting of The Haven Associates will be held this afternoon, Thursday, Jan. 20 at 2 p.m. The films shown courtesy of the Memorial Hall Library are "Winslow Homer: The Yankee Painter," and

"Treasure Under The Sea."

A new and special service has been instituted at The Haven every Wednesday afternoon between 2 and 3 p.m. Mrs. Mary Hamilton, Andover's Board of Health nurse, is available for consultation about any matter

# "I'm From The Old School"

By Walter Hunt

The past week's unexpected vacation was a welcome one for most AHS students. The time was not without its nightmarish moments, certainly, for drivers and snow-shovelers alike; but we were consoled by the fact that Miami, which conjures images of sun-drenched beach and a superabundance of bathing suits, was enjoying a milder dose of the same foul weather.

Well, this reporter spoke to senior class president Dave Stein about the goings-on at AHS before and after the storm, and found them to be only superficially changed. Weather not permitting, the report of that interview did not appear last week; but, since things haven't changed much, this is it.

The main topic of discussion, especially just before Christmas, was the cancellation of the Christmas semi-formal which is usually among the highlights of the social season. It was cancelled, however, and redesignated "Winter Semi-Formal", and set for a still indefinite date. When I asked Dave Stein why, he had a variety of reasons.

Originally to be held December 18, the semi-formal was not announced until just days before the actual occurrence. The reason for this was the December 10 dance for the enrichment of the nearly-vacant coffers of the Imprint II, our monthly newspaper. Mr. Wilbur Hixon, one of the dynamic due of vice-principals, forbade the announcement of the semi-formal due to the Imprint

festivities, believing that the attendance would sharply diminish for the latter in view of the former. This, however, was only the first of the difficulties due to unforeseen difficulties, the location of the dance was to be the cafeteria instead of the gymnasium. Things were further complicated by several chaperons as well as the band cancelling. It was, therefore, "ridiculous to proceed."

When asked if he thought that the rescheduled event-or, indeed, any such dance was going to be able to avoid, he replied that he did not know. The Imprint dance, he added, paid off the debts of the paper but was eclipsed by a basketball game coinciding. Since sports are a dominant part of AHS life, they had a far greater attendance.

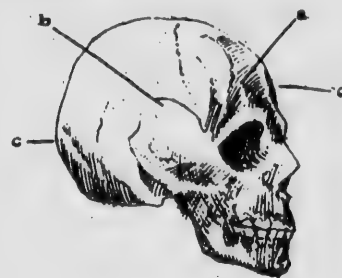

President Stein continued to further state that he felt that, although most of the difficulties to which he had alluded could in one way or another be avoided, there were problems more fundamental with dances. First, he said, seniors don't come as much to dances as they used to, because there is only limited socializing.

The interview was not entirely on a down note, though: he states that the vandalism situation, which had been serious last year, has been improving, as has the problem of intoxication at extracurricular functions. "Open Ends" has also caused a great interest, and students as a whole do not wish to see the program discontinued even before it has begun (it is due to start with the

new term, Feb. 5).

After the snow vacation, this reporter asked what was afoot concerning the making up of the lost time. First, of course, was the common knowledge that the mid-year examinations, originally scheduled for the Wednesday, Thursday, and Friday of next week (Jan. 26-28) have been set back to February 1-3 (Tuesday, Wednesday, and Thursday of the following week). Rumor (running more wildly than it did in Homer's Iliad) has a variety of versions: that either February or April vacation is to be deleted from the schedule, that the school day will be extended by one-half hour a day in the spring, and the traditional adding-on of days in June to compensate. The only fact on this that there is to report is that our calendar is 184 days long, including 4 snow days (state law prescribes 180). We have lost six days thus far, due to the winter; thus only two days need be reckoned with. Hardly enough to cause deletion of April vacation. In any case, Principal Wormwood could not be reached for affirmation or denial of any of these statements. By next week, however, the crowned heads of the Andover school

system will have made their judgment, and we will know for sure. Until then, throw another peanut on the fire and keep warm.

## Haydn To Davidovsky Played with Care

Barbara Kautzman of the Music Department of Phillips Academy gave a fine piano recital Sunday ranging in music from Franz Joseph Haydn to Mario Davidovsky. Her performance began with the Sonata in D major by Haydn, performed with very sensitive phrasing coupled with a velvety tone. Her trills and turns had life and sparkle with clean use of pedal. The dynamic levels showed good understanding of the material, although her tonal balance could have been improved in the Largo section. The Finale conveyed a gay feeling with the repeated sections at different dynamic levels to keep up interest.

Of the three "Images, Book I" by Claude Debussy, the "Reflects dans L'eau" and "Mouvement" showed the imaginative feathery tones necessary. The underlying harmonic movements were kept in context, but the interest was kept by excellent tonal balance

and good bass support.

"Hommage a Rameau" was rather dull, but this is not necessarily the fault of the performer. The second section picked up tempo considerably, but not enough to save it.

"Synchronisms" by Mario Davidovsky is a piece "For Piano and Electronic Sounds". It is more interesting than many such pieces and Miss Kautzman handled it creditably. (It is fascinating how crucial playing the correct note is!)

Miss Kautzman ended her program with a Schubert Sonata, which was the big work of the recital. The tonal balance was good, but deeper tones in some areas would have been called for. The running passages had good control, but "warm" tones were missing.

All in all it was a very satisfying performance.

# St. Augustine's Clears Hurdle

By Rick Harrison

St. Augustine A cleared a big hurdle in its quest for the Intermediate Division championship of the Andover Church Basketball League, as the undefeated leaders used a big second half as a springboard to a 29-15 victory over previously-unbeaten St. Augustine B last Monday night at the West Elementary School gym.

St. Augustine D, meanwhile, continued perfect and just a half-game behind the pacesetters following its 35-18 conquest of St. Robert's D at the East Junior High gym.

St. Robert's A eased into third place, one game out, as its division leading offense erupted for a 40-6 triumph over St. Augustine C at West School.

St. Robert's C, snapping back from a loss in its previous start, vaulted over the .500 mark with a tight 25-20 victory over Ballardvale United at West, and South-Baptist squared its ledger by trimming Christ Church 34-10 at East Junior High.

The clogged standings feature St. Augustine A at 5-0, St. Augustine D at 4-0, St. Robert's A at 4-1, and St. Augustine B at 3-1.

## St. Augustine A, 29-15

Divisional scoring leader Ted Kelley, who closed with 19 points for the distance, netted all 10 of his team's first half total as St. Augustine A inched to a 10-8 advantage.

Last winter these arch-rivals split a pair of one point decisions, but this time around sharpshooting by Tim Corkery (4) and Kelley (3) in the third quarter boosted the A-team edge to 17-11.

Ted Kelley tossed in 6 points, brother Dick Kelley 4, and Corkery added a bucket as the victors capped the contest with a 12-4 run in the fourth period.

Kelley's 19 jumped his five game output to 76, a hefty 15.2 average, while Corkery closed with 6 points and Dick Kelley four.

Also playing well for St. Augustine A were Tom Galvin and Kevin Lynch.

John Ingemi did the most damage for St. Augustine B, which suffered only its second loss in the last 14 games, by netting 9 points. John Atanasoff, a perfect 2-for-2 at the free throw line, pocketed 4 points and Mark Paradis had a second quarter basket.

Also starring in the B-team performance were Pete Walsh, Dan Paradis and Jay Madden.

## St. Augustine D, 35-18

Once again the second half told the story, as St. Augustine D trailed 4-2 after one quarter and led St. Robert's D by a slim 11-10 margin at halftime.

However, Dave Fluet heated up for 10 of his game-high 19 markers in the third session, as St. Augustine pulled away to a commanding 25-12 lead before coasting home.

Steve Green supported Fluet's sizzling marksmanship with 8 points, Ted Sirois hooped 4 in the last half, Pat Beaudine stuffed a third period bucket and Brian Beckerman had a 2-pointer.

Rob Wilson was an additional standout for St. Augustine, which played without the services of Pedro Gleason.

Bobby French enjoyed another prolific evening, canning 14 points for St. Robert's D to up his seasonal production to 50.

Dave Spychalski added 4 points while Dan Poore, Todd Sleath and Tim Moynihan also played well.

## St. Robert's A, 40-6

St. Robert's A revved up its 205-point offense early, jumping to a 19-1 first quarter lead and never looking back.

Bob Leitch, scoring runnerup at the moment, led the way with his fourth double figures effort as he poured in 14 points to boost his total to 71 overall.

Ken Saliba chipped in 10 markers, Phil Farr overcame foul line troubles to swish 8 points, Barry Lemieux had 6, and Pete Byrne buried a pair of charity tosses.

Kevin Byrne, Kevin Salava and Chris Chinchillo were defensive leaders for St. Robert's A.

Steve Farrington popped in 5 points for St. Augustine C, and Bob Curtin dropped a first period foul shot.

St. Robert's hit 4-of-14 free throws, St. Augustine 2-of-7.

## St. Robert's C, 25-20

St. Robert's C, missing half its scoring punch with the absence of Scott Nottle, had enough power left to slip past Ballardvale United, 25-20.

The victors held slim 6-2, 14-8 and 19-16 leads at the first three quarter breaks, and then held on despite the fact both clubs missed numerous free throw opportunities in the final period.

Tony Romano, the other half of the high-scoring combo, emerged with a game-high 12 points. Mike Damphousse flipped in 6, Ed Damphousse 4, Bruce Crochetiere 2 and Yvonne Levesque a free throw for St. Robert's C.

The answering fire from BU was ignited by Robbie Robinson with 6 points, Chuck Burnett 4, Steve Eldred 4, Steve Todd 4 and Jeff Crowninshield 2.

Tom White and Rodney Hollenbeck also played well for United.

St. Robert's missed eight free throws in that last quarter, while Ballardvale missed five. Had either club been hot the ending

might have been different.

## South-Baptist, 34-10

South-Baptist cruised to its second straight victory, exploding for 20 points in the first quarter before easing past Christ Church, 34-10.

Art Dunlavy guided six S-B players into the scoring column with 16 points, while Darren Lowe dunked 8, Dave Lowe 4, and solo buckets were delivered by Alan Carter, Doug Aikman and Danny Kimball.

Countering for C-C were John Rogers and Todd Durant who tossed through 6 and 4 points respectively.

Randy Jones and Chip Wood were other C-C stalwarts.

## Scoring Race

Ted Kelley tops the point parade with 76, followed by Bob Leitch with 71, Phil Farr 63, Dave Fluet 53, Scott Nottle 52, Bobby French 50, Tony Romano 44 and Art Dunlavy 41.

## INTERNATIONAL GATHERING OF THE CLANS

**1 week \$356.00**

**2 weeks \$424.00**

**Airfare Subject To Increase**

From April 30 to May 14, 1977 Scotland will be the setting for an International Gathering of the Clans.

It will be a major international event, emphasising the unique way in which the Scottish clan and family system has been maintained at home and in every corner of the globe.

The first week will concentrate in the historic Capital City of Edinburgh and the surrounding Lothian Region. There will be a wide selection of traditionally Scottish events, including Highland games, piping, exhibitions, pageants, displays, dramas, banquets, and balls.

During the second week, clansmen and their families will disperse to clan and home territories, where there will be many events for participants and spectators.

British Airways and Bestways Travel have prepared 4 different itineraries for this second week stay, each one visiting the lands traditionally in the possession of specific clans.

Special care has been taken to arrange comfortable accommodations at a variety of prices and many of the special events are available for you to purchase in advance should you wish.

The two-week Gathering will be an occasion of truly international significance to all who have an affection for Scotland and its traditions.

Senior wing Paul D. pumped in four goals, including three within a 3:03 span in the third period, and sophomore Paul Farnham scored twice and set up three goals, as the Andover hockey team erupted in the stanza to rip Dracut High.

The Golden Warriors, caught at the Billerica "snakepit" in the game prior to that, bowing to the invincible Indians 8-1 before fans at the Hallenborg Memorial Rink.

The split left AHS with a Merrimack Valley Hockey League record, tied for place with Methuen.

Coach Pete Anderson's also skated to a 3-3 tie at Brooks School of North Andover in a game condition scrimmage last week.

## Andover, 8-3

Dracut gave Andover trouble for two periods, though they were clearly played and badly outshot by locals.

Making the most of limited chances, as the Rangers, the Middies trailed on entering the final stanza though the Warriors held shooting advantage up to time.

Derby, however, saluted decision away with three fire goals in the opening 30 minutes.

Center Rick Benson launched the AHS offense at 4:50 of opening period, snapping foot wrist shot off Dracut's Don Fearon's pads for his seasonal red-lighter.

Dracut, however, tied it 10:56 on a powerplay tally. Craig Pappas, who slipped a shot past Andover goalie Hill.

Paul Derby's first goal of evening made it 2-1 at 4:09 in middle session, as he scored home his own rebound.

Farnham netted a power goal of his own at 9:02, as sophomore center flipped the rebound of a long slapper by Capt. Pasquale over the spruce Fearon.

The Middies refused to however, closing the gap when Co-Capt. Dave Burgess pocketed his sixth goal within seconds left in the period. Burgess fired a 25 footer through a screen and inside the net.

Tall Paul Derby, whose goals boosted his seasonal to six, took matters into his gloves in the final period.

The eventual game-winner came at 0:21, making it 4-2, moved down the right wing on a partial breakaway. Farnham moved out to meet Derby, shifted the puck to his back and skimmed a 10 foot shot to the far corner.

A crisp, pretty passing among linemates Tony Corkery, Farnham and Derby set up the next goal, as Derby tapped the puck into an unprotected net at the 3:12 mark.

The same three players binned 12 seconds later for by's fourth lamplighter, up the count to 6-2, as the Golden Warriors scored three times their first three shots of period.

Junior wing Len Foote followed with his first varsity goal at 4:17, making it four successive markers in 3:56, as he dumped a rebound from 15 feet out.

The final AHS goal occurred at 9:18, during a 4-on-4 situation.

## By Rick Harrison

Senior wing Paul Derby pumped in four goals, including three within a 3:03 span early in the third period, and sophomore linemate Paul Farnham scored twice and set up three other goals, as the Andover High hockey team erupted in the third stanza to rip Dracut High, 8-3.

The Golden Warriors were caught at the Billerica High "snakepit" in the game previous to that, bowing to the near-invincible Indians 8-1 before 700 fans at the Hallenborg Memorial Rink.

The split left AHS with a 3-5-0 Merrimack Valley Hockey League record, tied for sixth place with Methuen.

Coach Pete Anderson's crew also skated to a 3-3 tie with Brooks School of North Andover in a game condition scrimmage last week.

## Andover, 8-3

Dracut gave Andover some trouble for two periods, even though they were clearly outplayed and badly outshot by the locals.

Making the most of their limited chances, as the Russians do, the Middies trailed only 3-2 entering the final stanza even though the Warriors held a 24-5 shooting advantage up to that time.

Derby, however, salted the decision away with three rapid-fire goals in the opening 3:24.

Center Rick Benson launched the AHS offense at 4:50 of the opening period, snapping a 20 foot wrist shot off Dracut goalie Don Fearon's pads for his third seasonal red-lighter.

Dracut, however, tied it 1-1 at 10:56 on a powerplay tally by Craig Pappas, who slipped a long shot past Andover goalie Dave Hill.

Paul Derby's first goal of the evening made it 2-1 at 4:09 of the middle session, as he stuffed home his own rebound.

Farnham netted a powerplay goal of his own at 9:02, as the soph center flipped the rebound of a long slapper by Capt. Joe Pasquale over the sprawled Fearon.

The Middies refused to die, however, closing the gap to 3-2 when Co-Capt. Dave Burgess pocketed his sixth goal with 21 seconds left in the period. Burgess fired a 25 footer through a screen and inside the near post.

Tall Paul Derby, whose four goals boosted his seasonal total to six, took matters into his own gloves in the final period.

The eventual game-winner came at 0:21, making it 4-2, as he moved down the right wing lane on a partial breakaway. Fearon moved out to meet Derby, who shifted the puck to his backhand and skimmed a 10 foot shot into the far corner.

A crisp, pretty passing play among linemates Tony Cammarata, Farnham and Derby set up the next goal, as Derby tapped the puck into an unprotected corner at the 3:12 mark.

The same three players combined 12 seconds later for Derby's fourth lamplighter, upping the count to 6-2, as the Golden Warriors scored three times on their first three shots of the period.

Junior wing Len Foote followed with his first varsity goal at 4:17, making it four successive markers in 3:56, as he dumped in a rebound from 15 feet out.

The final AHS goal occurred at 9:18, during a 4-on-4 situation,

when Paul Farnham capped a 2-on-1 break by snapping home a forehand shot.

Dracut closed the scoring with 31 seconds to go, as left wing Mark Hall placed a wrist shot to Hill's stick side.

Andover enjoyed one other exceptional scoring opportunity, with three minutes to play. Sophomore wing Len Driscoll stole the puck while killing a penalty, but his quick shot clanged off the post.

Junior Tony Cammarata joined team scoring leader Paul Farnham with three assists apiece, while Joe Pasquale passed out two assists.

Solo helpers went to defenseman Kevin Moore, Rick Hyslip and Derby.

Also playing strong games for Andover were rear-guards Brian Bresnahan and John Fahey, along with forwards Pete Chiklis, Dan Morreo and Alex Milne.

The Warriors finished with a wide 38-8 shooting edge over Dracut, going 11-3, 13-2 and 14-3 by periods.

Fearon, who kept the Middies in the game for two periods, closed with 30 saves while Dave Hill made five stops. Hill had little chance on any of the Dracut tallies.

## Billerica, 8-1

Billerica is 8-0-0 in the league this year, 9-0-0 overall, and the Indians have captured 30 straight victories over a two year stretch.

They are the two-time defending State Division 2 champions, and have never lost a game played at their home Hallenborg Rink.

Bucking those kind of figures

was a tough assignment for Andover, which trailed only 2-1 after 10 minutes but eventually succumbed to the constant

# WHEELS WITHOUT WORRIES.

Currently, some of New England's major banks, manufacturers and service companies lease their corporate automobiles from NSP.

Why they lease instead of buying is a matter between them and their accountants.

But why they lease from NSP should be of interest to you.

### At NSP, service means more than paperwork.

Unlike most automotive leasing firms, even the giants, NSP maintains its own fully staffed, fully equipped service department. So you may choose to have your automobiles maintained by us, either as part of the lease or on a per-job basis.

You enjoy two great advantages by doing this. One, you pay less, because our service department isn't primarily a profit center to us. Two, you get better work, because when your lease expires, we're going to get your cars back. And it's easier for us to sell a great used car.

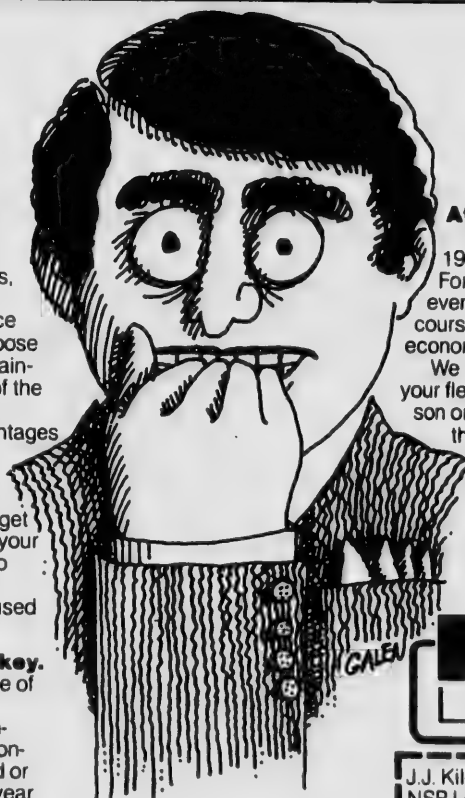

### At NSP, flexibility is the key.

You may choose any make of car, any model, any mix.

You may choose full maintenance, no maintenance, contract maintenance; open-end or closed-end; two-year, three-year or more years; insurance or self-insurance or your own program: in other words, we're prepared to write the lease that suits your company best. Five cars to five hundred, we can arrange a specific lease.

### At NSP, we know New England.

If you're a national firm, operating automobiles in New England,

### At NSP, 1977 is now.

We can arrange delivery of 1977 automobiles, starting now: Ford, General Motors, Chrysler, even foreign makes. All carry, of course, 1977 warranties and fuel-economy measures.

We would be pleased to discuss your fleet with you, either in person or by phone. We'd suggest that you send the coupon soon.

Thank you for your attention.

it often makes sense to lease locally. First, because it's easier for your local staff to deal locally. Second, because your business is vital to us. Third, because your costs are generally lower. Fourth, because good service is easier to get.

If you'd like more reasons, simply call. We'll be happy to visit your headquarters.

## Memorial Hall Library

### Eat, Drink And . . .

If you're a lover of good food and drink, the library has a number of magazines that might interest you. Gourmet, a magazine which covers all aspects of fine food and wine, is geared toward those who wish to learn more about what makes a fine wine or an exceptional dish. It includes articles about food from different parts of the world, recipes, menus, and, for the dreamers among you, gourmet holidays.

Another magazine on this subject is Vintage. Directed at the American consumer, this magazine discusses foreign wines, but concentrates on domestic ones. Tasting notes, wine news and, of course, reader's comments are regular features.

If you're interested in finding out what's available here in the Boston area you might look at Chomp, Boston's Food and Dining Magazine. This will direct you to the best, the cheapest, and/or the most interesting in Boston dining. Each month a dining almanac with prices, specialties, and hours of selected restaurants is included, as well as general articles on food and dining.

#### Art Display

Oil and watercolor paintings by Richard Hilker are on display at the Library this month. Hilker, who now resides in Pelham, N. H., studied art with the Famous Artists Course and with the Texas School of Architecture in Austin, Texas. He has shown his work at the North Andover Gallery, Odyssey Gallery in Reading, Powers Gallery in Acton, and Middle Gallery in Newburyport. His most recent one-person show was with the Copley Society in Boston.

#### Display By

##### Andover Students

The young people in the Andover School Enrichment Program have contributed a display to the Library which will be on view until the end of the

month. The display consists of artifacts constructed by the students who are reproducing items from Greek and Roman culture that they have observed on their visits to the Fine Arts Museum in Boston.

#### Florence Luscomb To Speak

Florence Luscomb, a feminist and activist in defense of constitutional liberties, will speak at the Library on February 10 at 8 p.m. Ms. Luscomb who spoke at the Woman Seen Program at the library last year, has been invited back to celebrate her 90th birthday with us. She will bring us an update on the progress of women's rights and she will report on developments in the woman's movement around the world. Ms. Luscomb attended the World Congress of Women held in East Germany in 1965 as a delegate. Everyone is invited. There is no charge.

#### Children's Room News by Ruth Hooten

If we are not buried by snow and ice beforehand, the Children's Room will be presenting a Mine Show on Saturday January 22 at 2:00. The show is being presented by the Northeast Cultural Arts Center and will feature Tom Bergeron in an hour of mime. As usual, tickets will be given out to children 5-12 years at 1:30 in the Children's room. If you don't know what mime is or you have never seen a live performance, come to our Mime Show for a very entertaining experience.

The Children's Room has lost almost all of its back issues of Model Railroader magazine. Since these magazines are popular with adults as well as children the loss is being sorely felt. Does anyone have any back issues that they would like to donate to the Children's Room? If so, please call Ruth Hooten at 475-6960. Any donations would be appreciated.

Don't forget: Vibor meets on Thursday at 3:45 to 4:30.

## Wins British Award

Mr. Alan Cameron, a 20 year old resident of Kinnelon has earned a Gold Award in the Duke of Edinburgh's Award Scheme.

Work in Kinnelon public library last year formed part of the award project, which Mr. Cameron a former Andover resident started while studying at St. Bees School in Cumbria, England from 1974 to 1976. He is a British subject.

At St. Bees, he helped to train the school's 200 strong branch of the Cumbrian Cadet Force, and taught them the skill of orienteering by compass, chart and trail following.

To satisfy other requirements of the Scheme, Mr. Cameron gained a chess certificate from the British Chess Federation. He undertook a 50 mile expedition on foot across the Cumbrian Fells,

living on army rations and sleeping rough, and passed tests in running and jumping.

The Scheme encourages young people between 14 and 25 in personal achievement and social involvement. To qualify for an award a young person must satisfy requirements in four of five sections; service, expeditions, interests, design for living and physical activity.

The award will be presented at a private ceremony in New York by the British Consul General, Mr. Gordon Booth, on January 18.

Born in Canada, Mr. Cameron came with his family to the United States in 1961 to live and study. Now studying at the University of Maine, he intends to become a wildlife biologist.

## Concert At Conservatory

Pianist David Hagan, a member of the New England Conservatory Preparatory School faculty, and pianist Martin Berkofsky will present a program of Transcriptions for One Piano, Four Hands on Friday, Jan. 21.

The 8:30 performance will include Mozart, Overture of 11 Seraglio; Beethoven, Septett, op. 20; Bach, Brandenburg Concerto #3 in G, arranged by Max Reger; Liszt, Les Preludes, arranged by Franz Liszt.

Hagan and Berkofsky began playing four-hand piano music

while students at the Peabody Conservatory. Their performance of composer Max Reger's arrangements of the Bach Brandenburg Concerti received nationwide attention, and was featured in two National Public Radio Recital Hall broadcasts for NPR network. Several broadcasts and recitals have followed, and their recording of the complete Brandenburg Concerti for the Musical Heritage Society will be released this month.

The Jan. 21 recital will be held in New England Conservatory's William Recital Hall. The performance is free to the public.

## OBITUARIES

### LESLIE A. HEMEON

Seven year old Leslie A. Hemeon strangled to death after slipping in a tree and catching the hood of her jacket Saturday afternoon.

Police said Leslie, the daughter of Farish B. Hemeon, 14 Walnut Ave., Andover, and Mrs. Carol Cappello, 40 Pleasant St., Lawrence, had been playing with friends in a yard near her father's Andover home Saturday when the accident took place.

When attendants from the Andover Fire Department ambulance rushed to the accident scene at 4:20 p.m., they found no pulse or respiration when they examined Leslie. Cardiopulmonary resuscitation was performed, but she was pronounced dead on arrival at Lawrence General Hospital.

Dr. George W. Desmet, associate medical examiner, said that the cause of death was accidental strangulation.

Leslie, who lived with her mother, was a second-grade student at the Storrow School in Lawrence.

Besides her parents, she is survived by her maternal grandparents, Mr. and Mrs. William Delbridge of Grosse Point, Mich.; her paternal grandparents, Mr. and Mrs. Farish D. Hemeon of Beverly; a brother, Matthew Hemeon of Lawrence; two step-brothers and three step-sisters, John Jr., Jay, Danielle, Gina and Marie Cappello, all of Lawrence; an aunt and several uncles.

Funeral services were held Tuesday at 11 a.m. at Christ Church, Andover. Burial was in West Parish Cemetery.

### WILLIAM SMITH

William Smith, 59, 249 Lowell St., Andover, an employee of New England Telephone and Telegraph for 40 years, died Saturday at Lawrence General Hospital following a short illness.

He observed his 40th anniversary with New England Telephone Thursday. He was senior night maintenance man in the Cambridge plant at the time of his death.

Born and educated in Charlestown, he had lived in Andover since 1968, and attended St. Augustine's Church. He was a member of the Telephone Pioneers and the International Brotherhood of Electrical Workers, 2222. He was an Army Air Force veteran of World War II.

He is survived by his wife, Arlene S. (Quill) Smith; two sons, William Jr. of Tewksbury, and Timothy D. of Andover; one daughter, Susan M. Smith of Andover; his mother, Mrs. Eliza Smith of New Milford, Conn.; three brothers, Alex of Charlestown, George of Somerville, and Robert of Wilmington; one sister, Lillian, wife of Angus Cameron of New Milford, Conn.; three grandchildren, several nieces and nephews.

A funeral Mass was offered Tuesday at 10 a.m. in St. Augustine's Church, followed by burial in West Parish Cemetery.

### JAMES J. LICCIARDELLO

James J. Licciardello, 30, a former Andover, Mass. resident, was dead on arrival at Community Hospital in Prescott, Ariz. after being in an automobile accident Saturday afternoon.

Mr. Licciardello was killed when his car failed to negotiate a

curve on a county road in Yava, Ariz., the Yavapai County Sheriff's office said. One passenger in the car was hospitalized.

Born in Lawrence, Mass. June 9, 1946, he graduated from Andover High School and also was a graduate of Arizona State College. Mr. Licciardello was a construction engineer with the Cypress Steel Company in Bagdad, Ariz.

He is survived by his parents, Joseph A. and Antoinette (Prima) Licciardello of Andover; a sister, Sandra, wife of David Williams of Ballardvale.

A private funeral Mass was offered in St. Augustine's Church, Andover. Burial was in Immaculate Conception Cemetery, Lawrence.

Memorial contributions may be made to the charity of one's choice.

### JEROME J. BURBINE

Jerome J. Burbine, 63, 7 Lewis St., a life long resident of Andover, died Jan. 13 at Lawrence General Hospital after a short illness.

Born April 13, 1913, he was educated in the Andover School system and attended St. Augustine's Church in Andover.

He is survived by four sisters, Mrs. Mary Surette, with whom he made his home, Helen, wife of John McColley of Lawrence, Marguerite, wife of Harrison Gray, and Mrs. Theresa Hurley, both of Andover; two brothers, Henry and William Burbine, both of Andover; and several nieces and nephews.

A funeral Mass was offered Monday at 10 a.m. in St. Augustine's Church. Burial was in St. Augustine's Cemetery.

pressure exerted by the powerful champions.

Dave Hill came up with 30 saves in the Andover net, but the Indians outgunned the Golden Warriors 38-10 including 15-3 and 15-1 in the first and second periods respectively.

Billerica senior center Paul Miller, second in the State in scoring with 91 points last season, led the winners' assault with a three-goal "hat trick."

Miller, having just returned from Czechoslovakia where he led the United State Junior team with seven goals in the nine-game World Tournament against clubs from Russia, Sweden, Germany, Poland, etc., netted two powerplay tallies and a shorthanded goal on slapshots.

Dean Jenkins and defenseman Tom Mulligan added two red-lighters apiece, while Mike O'Connor had a goal and passed out five assists.

Paul Farnham at least ruined the shutout bid at 7:20 of the first period, snapping a string of 101 scoreless minutes for Billerica goalies whose combined average is a dazzling 0.87.

Farnham scored when the puck squirted loose from the neutral zone into the Billerica end. He beat two Indians' defensemen to the disc, blasting a perfectly-placed 25 foot slapshot over the goalie's glove and just inside the far post.

The goal was assisted by Paul Derby and Len Driscoll.

Also playing well despite the final score were Capt. Joe Pasquale, Tony Cammarata, Kevin Moore and Brian Bresnahan.

Old Faithful.

New Faithful.

Good Old Faithful. Always got you where you were going. Always did it economically. And now, after 27 years and 33 million cars, it's still a symbol of dependability and economy.

Now there's a car that's just as reliable and economical as Old Faithful ever was. It's New Faithful. The 1977 VW Rabbit. With engineering so advanced that automotive experts have hailed it as the kind of car Detroit will be building in the 1980's. The Rabbit has a new fuel injection system, so it starts up quick as a bunny. Springs like one, 100 0 to 50 in just 7.7 seconds. The Rabbit also has advanced engineering features like negative steering, roll radius, rack-and-pinion steering, and an independent stabilizer rear axle. New Faithful lives up to Old Faithful's reputation for economy, too. Because it has fuel injection, you can use the

most economical grade of gas. But you won't have to use it very often. Rabbit gets 37 mpg on the highway, 24 in the city (that's EPA's estimate for manual transmission. Actual mileage may vary, depending on driving habits, car's condition and optional equipment).

Dependability and economy. That's what Old Faithful gave a whole generation of Americans. And that's what New Faithful is giving a whole new generation of Americans. New Faithful. The 1977 VW Rabbit.

# Bantams Off To Slow Start

By Rick Harrison

Like its high school varsity counterpart, the Andover Bantam A traveling hockey team is playing well... but a failure to mount a consistent, high-powered offense is taking its toll. Coach Dick Neal's squad is off to a slow 0-4-0 start.

The locals have surrendered 16 goals in those four games, but have scored only seven.

The three most recent starts resulted in tough losses to Worcester (3-2), Brunswick, Me. (4-2) and North Andover (4-3).

## Worcester, 3-2

Worcester grabbed a 1-0 first period lead, at Merrimack College, but left winger Charlie Heseltine knotted the count 1-1 at 11:44 of the second stanza.

It was the first goal of the season for Andover, ending a four-period drought that covered nearly 60 minutes.

Dave Milne started the play with a pass to defenseman Joe Benson at the point. He hit Heseltine near the net for the bullseye.

Worcester made it 2-1 midway through the third period, then pocketed the game-winner at 11:07 on a breakaway.

Center Bruce Belbin followed 36 seconds later with the final Andover tally, assists to linemate Wayne Merola and defenseman Tom Hetley, but the locals failed to net the equalizer.

Veteran Dave Cullinan played well in goal.

## Brunswick, 4-2

Andover fell behind 2-0 in the opening minute of play at the Phillips Academy Rink, and that proved to be the locals' undoing.

The first goal by the Maine visitors was an open shot from 12 feet out to the left of 13-year-old goalie Dave Leitch at 0:31, and the second red-lighter was jammed home from close range at 0:58.

Blueliner Joe Benson retaliated at 4:57, when his shot from the boards deflected off a Brunswick player midway in the zone. Mike Ganem collected the lone assist.

Brunswick greeted new goalie Dave Cullinan at 39 seconds of

the middle frame, taking a 3-1 edge after a breakaway from center ice.

Wayne Merola got that one back at 7:43, just 16 seconds into an Andover powerplay, when he polished off a pretty passing combination with Joe Cahill and Joe Cammarata.

Brunswick held Andover off the board in the final period, and chalked up an insurance goal while killing a penalty at 2:31. The puck was stolen in the zone, and a high shot found the far side corner.

## North Andover, 4-3

North Andover put a small damper on Andover's first annual "Reunion Game" at Merrimack College, as all former Andover players and their relatives had been invited to the contest by Coach Neal.

NA launched the attack with a powerplay goal from in close at 6:25 of the first period, but Joe Cahill tied it at 11:04.

"Tony Giannone started the play at the point," recalled Neal, "passing the puck to Cammarata in the left corner. Joe fed Cahill to the right of the net for a high flip into the near corner."

The deadlock didn't last long, however, as North Andover scored twice in the second period on a breakaway (4:51) and a 10 footer (11:07) for a 3-1 bulge.

The game-winner was a tough one, giving NA a 4-1 advantage at 1:47 of the last period.

"It was a 20 foot shot that deflected off our defenseman in front, and slid past Dave

Leitch," related Neal.

Andover mounted a strong comeback bid over the final minutes, but the clock ran out with the locals one short of a tie.

Wayne Merola's second goal of the season at 8:28 came on a 12 foot blast from the left side, capping another good passing play with Joe Cahill and Joe Cammarata.

Cammarata followed with a 25 foot drive at 11:41, the lone assist to Cahill, but 4-3 was as close as Andover came.

Coach Neal lauded the work of 13-year-old defenseman Tom Hetley.

Dave Cullinan toiled the first two periods in goal, while Leitch worked the third stanza.

## Schedule

Andover was slated to face the Salem, N. H. Bantams at freezing Frost Arena recently, and the locals also have a two-game, overnight series in Western Massachusetts this weekend.

Andover will be at Pittsfield this Saturday noon, and at North

**Leo J. Couture & Sons — Cash For Your Car**  
 Cash for your junk cars and late model wrecks — this is the offer made by Leo J. Couture & Sons, 54 Medford Street in Lawrence (behind Essex Plaza). And they offer 24-hour towing service!  
 If you have an old car that you consider junk or a late model wreck, call Couture and Sons at 686-5884. They will come and tow it away and give you cash for it. And they will pay you what the car is worth in parts to them, anywhere from \$10 to \$1,000.  
 That's right, Leo Couture and Sons are in the auto parts business and they offer the highest prices for wrecked cars. They have the equipment and the manpower to go to any home or place of business in the Greater Lawrence area and Salem, N. H.  
 This is a family business, Mr. Couture himself having 12-15 years of experience. Although your car may seem worthless to you, he knows the value of parts and can offer you a fair price. Recently, they have expanded their business, taking over the former Methuen Auto Body at 602 Lowell Street, Methuen. Here, with their direct supply of parts they are able to offer the public fast service on all types of auto body work under the experienced eye of Dominique.  
 Private car owners and dealers, too, can find parts for most any make of car at Couture's yard. Just give them a call first and your part will be waiting for you.  
 Junk cars or late model wrecks by law cannot be stored in your yard. Instead of paying someone to take it away, call Couture & son. They'll tow it away and pay YOU for it. They have a ramp truck car carrier for facility in transporting and at their place of business have a claw truck which picks up the car and stacks it for later use for auto parts.  
 For junk car removal or for used auto parts, call Leo J. Couture & Sons at 686-5884 or 687-9527. For auto body work, call Couture Auto Body at 688-7989.

## Traditional

(Continued from Page One)

The most negative responses - four - came when the families were asked if they were satisfied with transportation.

### Misinformation

One of the major problems, Ploussios reported, is misinformation or rather, "lack of information" which, he said, is damaging to the program and youngsters involved, as well as to the system as a whole.

One step toward correcting that problem will occur on Feb. 10, via an open house which Frulla has planned.

Ploussios also, expressed hope for system-wide teacher workshops because, he said, he didn't feel teachers as a whole were that well informed about the program. It is important that they are, he said, because parents who are considering transferring their youngsters into the traditional program first consult their current teachers.

Misinformation has occurred in several areas, Ploussios said, and he found "most discouraging" the fact that several parents seem to think each neighborhood school has a traditional program.

There is only one traditional program sanctioned by the school committee, he said, "and that's at West Elementary School."

Contrary to some opinion, he went on, the program is not made up of low achievers or problem children. He said there are a significant number of high achievers in each class and few if any problem children.

He said that the fear of some parents that traditional children will feel isolated and become outcasts "has not happened." The children at West, he said, have been integrated with their peers in the contemporary program "very successfully."

He also said there is "no truth" to the belief that the traditional school teaches to the mean and inhibits the bright child. On the contrary, he said, the student's individuality is recognized and encouraged.

### What Program Is

By way of setting the record straight, Ploussios summarized the basic characteristics of a traditional program.

The emphasis on basic subjects is "under control," he said, with teacher-directed classes using practice and drill and textbooks which can be taken home. Enrichment subjects are taught, he said, but

basics particularly the three R's and composition skills, science and social science - receive priority.

Minimum standards, he said, are based on a standardized textbook curriculum, and letter grades are given quarterly, based upon frequent tests and on class work.

"We feel very strongly," Ploussios said, "that a child should not be promoted for social reasons - that if he is he will be even farther behind the next year."

He said classes are heterogeneous, with ability grouping where possible and supplementary materials provided to the high achievers. Homework is regularly assigned as a normal part of the school week and "not an unusual event."

The matter of discipline has been over-emphasized in the community, Ploussios said, "this is not a military academy." Discipline is firm, however, he said, and has made "a positive impression" on the children.

### Concern For Future

Tops among Parent Council concerns is the future of the traditional alternative, and a summer school for students who are not maintaining minimum grades.

Ploussios said people want to know if additional classes will be added, where they would be and when registration will occur.

"We need reaffirmation," he said, "that the program is part of the school system."

The committee subsequently voted to take up the matter at its next meeting.

Chairman Olesen found the satisfaction of the parents and the performance of the staff "very encouraging" and expressed hope that more parents throughout town would be satisfied with their pupils' programs.

"No one program is going to satisfy all children," he said, "but we are satisfying more parents and offering more opportunities. We've come a long

way in three years."

Committeeman Frank Griggs said the program has been everything he hoped it would be. "For the first time in many

years," he said, "I know what my son is doing in school."

"I'm not surprised that it has been so successful," Colleague David Ahouse said, as he congratulated the staff and Frulla.

## JIM IS AT NORTHERN ESSEX

Jim Carabello of 23 Autran Street, North Andover has been taking courses in the Law Enforcement Program at Northern Essex since the Fall of 1974. He finished his work in December and is a candidate for a degree at June, 1977 Commencement. Jim was a well-known carpenter for years, and is now a member of the North Andover Police Department. He was nervous, at first, about going back to school with kids, but soon adjusted and found it was easy for an adult to make friends with teachers. "When you're working and going to school too, college is time-consuming and hard work," Jim says, "and you have to let things slide, but I enjoyed every minute of it." Jim is thinking of continuing in a four-year college next Fall.

## Council Exhibit At Bradford

The Merrimack Valley Council on The Arts and Humanities has invited fourteen of its organization members to participate in a Winter Exhibition of their artists' works at Bradford College's Laura Knott Gallery. The exhibit will open Feb. 1, and remain on display through Feb. 18.

On Feb. 12, there will be a reception for the artists and organization representatives at the gallery immediately following the 8 p.m. performance by The Mandala Folk Dance Ensemble in Denworth Hall.

The purpose of this exhibition is to provide an off-season showcase for M.V.C.A.H. member organizations and artists. M.V.C.A.H. has invited each art making organization member to ask five of its artists to submit

two paintings each. Works will include paintings, drawings, prints and photography.

Those groups invited are: Addison Gallery of American Art, Andover; Andover Artist's Guild, North Andover; Andover Gallery of Fine Art, Andover; Arts and Crafts Society of Haverhill, Haverhill; Bradford College, Bradford; Greater Haverhill

Arts Association, Georgetown; Ichthus Studio and Gallery, Groveland; Mariner's Haven Gallery of Fine Art, Newburyport; Merrimack Valley Artist's Association, Methuen; Newburyport Art Association, Newburyport; Northeast Cultural Art Center, Bradford; Northern Essex Community College, Haverhill

### — BOXFORD —

A very special house in a young neighborhood of West Boxford. There are 2 family rooms, one off the eat-in kitchen and with its own mudroom. The other has a large cathedral ceiling, barn board siding, used brick fireplace, off the lovely living room with its own fireplace. A formal dining room, 4 bedrooms, 3½ baths. The master bedroom is a tranquil hideaway with cathedral ceiling, a fireplace, and a walk out deck overlooking a magnificent rolling woodland. **\$84,000**

A new home being built with you in mind. Designed by Merton Stuart Barrows for a sloping lot, the bedrooms are on 2 levels, the large country kitchen serves the dining area and porch with good access to the mud room and garage. Large sliding glass doors from the living-dining room open to a terrace. Superior construction and finishing with fine hand rubbed woods, wide boards, by Earl Davis, builder of fine homes. **\$135,000**

An outstanding home for those who love and appreciate fine quality. Designed for the owner 7 years ago by Merton Stuart Barrows who personally selected the materials used throughout—seasoned wood, hand cut nails, hand hewn doors, hand wrought hardware. A perfect blending of the warmth and character of age with the beauty and convenience of the present. Four bedrooms, 2½ baths, family room, living room, formal dining room, 2 car garage on over 2½ acres of beautifully landscaped grounds with its own small pond. **\$179,000**

A very fine wooded 2 acre lot available on the pond side of 4 Mile Pond. **\$35,000**

### Rent your vacation home?

Some taxpayers who own vacation homes may now have increased incentives to rent them out in 1977, according to General Business Services, Inc., one of the nation's leading tax preparers.

The new law does not allow a rental loss when the owner uses the property personally for more than 14 days. However, a loss may still be claimed if personal use is kept to 10% or more than 14 days.

Vacation home owners who have not rented because of IRS filing details should consider renting for two weeks or less. The new law requires no report of the rental income anywhere!

# February Vacation Still Stands

February school vacation will stand.

The Andover School Committee, already two snow days in the hole with two months of winter to go, determined Monday night not to make up the time during the February 2125 school break already scheduled.

It was Supt. Kenneth R. Seifert's recommendation to leave the vacation in tact, contending that many people have

already made commitments for winter trips. He was most concerned, he said, about the legal ramifications if people were forced to renege on their reservations.

Four snow days were built into this year's school calendar, but counting last week, the system has missed a total of six days.

Seifert said he felt it would be premature to plan to make up the two days already, since

winter is only half over and there may be more.

Other alternatives for making up the days include tacking extra hours onto the school day, deducting days from the April vacation, or seeking a waiver from the State Department of Education, which requires that pupils attend 180 days of school a year.

Seifert said the state commissioner however, feels it's too early to consider a waiver. Frank Griggs was the lone speaker against keeping the February vacations per se.

He suggested that "the affluent people who have made plans to go to exotic places — and I'm not one of them" — go ahead and leave the majority of pupils in school.

"What if only two percent are planning to go away?" he asked. "That would be a case of two percent of the dog wagging the 98 percent."

He also contended that the idea of a February vacation is to provide a break from the academic routine, but that youngsters have had "a very long break already — practically from Dec. 21."

Committeeman David Ahouse also voted against the motion, but for a different reason. He contended that all options for making up the snow days should be kept open for a few more weeks.

Chairman George Olesen noted that the time that has already been missed will be made up, and said vehemently opposed any waiver of the time. That only results in a loss to the children and to the taxpayers, he said.

Committeeman Joseph Finn,

## Sacred Heart

(Continued from Page One)

He said that while the planning board probably would not oppose the petition to the board of appeals, he felt strongly that it was more a matter for town meeting rezoning consideration.

The article would be in the annual town meeting warrant despite board of appeals action, scheduled for hearing on Feb. 3.

Miss Harris also explained that the land purchase by the town, which could be delayed until next October due to an application for Bureau of Outdoor Recreation Funding, could also delay the proceedings.

With some semblance of assurance that Crowninshield could proceed, which would come through a board of appeals variance, there would be no problem with the town going along on the negotiation for the land.

Chairman Milton Greenberg said that the town has an agreement in principle with the Brothers of the Sacred Heart on the land purchase.

A new law passed by the legislature last year, now makes an appeal period on a new zoning bylaw longer than previously provided.

Chairman Greenberg said that he felt that the matter could be expedited through the attorney general's office, which must rule on all zoning changes. But this does not alter the waiting period as provided by the new law.

Also, the board generally agreed that while the BOR funding for the land purchase is desired and being pursued, it was not necessary to hold up the whole project for approval by federal and state agencies.

Greenberg pointed out that town meeting committed the town to the purchase of the land last spring.

The selectmen joined the planning board in the general displeasure about going the board of appeals route, feeling more comfortable with town meeting approval.

Atty. Domenic Terranova, counsel for Crowninshield, explained that specific restrictions could be placed by the board of appeals to insure the town's protection in the matter, but Chairman Greenberg felt that the move represented a

breaking of new ground by the appeals board on a project of this magnitude.

Mrs. Dorothy Sherrerd, vice chairman, of the industrial development commission, suggested the special town meeting route, which seemed acceptable to representatives from Crowninshield.

It was explained that Crowninshield could be paying on the building starting next month. Charles Anderson, of the brokerage firm handling the sale of the property, told the selectmen that the Sacred Heart building is a difficult one to heat and maintain. A provision is in the option that any delays would result in Crowninshield advancing payment for maintenance and heat. "At some point it gets uneconomical," to purchase and recycle the building, Anderson explained.

It was then generally agreed that the special town meeting route should be pursued and that if all conditions are in order, then the session could be held, at the earliest, Feb. 28.
